Dear Beloved Pastor and Supporter.

Philippians 4:13-14 I can do all things through Christ which strengtheneth me. Notwithstanding ye have well done, that ye did communicate with my affliction.

Greetings from Harvesters Baptist Church Cambodia. We've had a lot of challenges with having to keep all our children and staff in the orphanage so as to not get any children sick. All of the adults serving our

children have received vaccinations so as to not be spreaders of the disease to our children. Cambodia has had a tough time in the pandemic. Factories have had to close because of infections in the factories and foreign nations have not been buying factory goods from Cambodia during the pandemic also, so many Cambodians have suffered with

little to no money to live on. We are so blessed to have this good congregation in Canada to help support us. At our church, Brother Thol and Brother Seyha have been leading us in worship and we ask you pray God helps them in this work in the church. We praise God for Brother Pov who gives the children haircuts in the orphanage since we feel it's not safe to take them outside the church to get haircuts. We would like you to pray for our trip we have planned to the Oudong Mountain Resort this next month. Pray everyone will be safe and have a blessed time. Again, we praise God for all you've done for us. Thank you so much for faithful support ministry here.

May Lord Jesus Christ bless you more!

We have prayer requests for our ministry.

1. For more souls to come to Jesus through this ministry.
2. More servants to worship and work with us.
3. For our continued financial needs.
4. For my family.

Your Brother in Christ,

Bro. Sophanara San.
