Dear Pastor, Churches and Supporters.

1 Thessalonians 5:18 "In every thing give thanks: for this is the will of God in Christ Jesus concerning you."

Greetings from Harvesters Baptist Church and Children's Home in Cambodia. It's been a busy month. We have been taking the kids age 6 to 17 to get their Covid vaccinations. The kids are getting the Sinovac vaccine.

Praise God. We just received our church license from the government allowing us to operate as a church. In the past, we had a few problems being an unlicensed church. A church license is very difficult to obtain in this Buddhist country so this is a big blessing.

The Phun Ben holiday is here in Cambodia. Buddhists here believe the dead get out of Hell for 15 days to return to their family Wat (temple) where they spiritually consume food brought to the temple by their family. We are working very hard to teach the gospel and to dispel such myths.

We took the children for dental checkups and care this month so pray about this as well as we provide our children with healthcare.

Praise God. We need prayer as we are in need of a school building for a new Christian school we would like to open with grades K - 6. So pray God helps us open this new school. As you can see. God is doing great things at Harvesters Baptist Church and Children's Home Cambodia thanks to your support.

We have prayer requests for our ministry.

1. For more souls to come to Jesus through this ministry.
2. More servants to worship and work with us.
3. For our continued financial needs.
4. For my family.

Sincerely,

Bro. Sophanara San.
