Prayer Request:

1. God's protection from the virus.
2. God's provision.
3. Many souls be save.
4. Our construction
5. Health
6. For my family.

Dear Pastor, Churches, Friends and Partners in the Ministry,

Proverbs 22:6 (KJV)

“Train up a child in the way he should go: and when he is old, he will not depart from it.”

Another year has passed again and so many blessings that the Lord hath given to us. God never stop being faithful to us even though many times in our life we fail Him. His grace is sufficient, His love is unending, His protection is all over us. We are thankful to God for your partnership in His ministry here in Cambodia. Christmas season is one of the times that the kids are waiting for every year. We prepared gifts and food for them. We cannot do this on our own and we want to thank you for your love in giving and sharing your blessing to everyone of us.

School Building update:

Praising God for His provision in our construction for our school building. We already finished it by the grace of God and we are praying to use it next school year. We are asking for your prayers to complete everything that we need such as the license for the school, teachers, chairs, white boards and other things that we will be needing in the classrooms before the school starts. We are also praying to make a multi-purpose hall in front of our school building and to put cement around the rooms. We know that nothing is impossible with God if we are going to ask to Him everything that we need.

Currently we have 34 kids that are staying with us. In 3 months, 10 new kids were added in our family. We are praying to help more kids. They are growing so fast and our prayer is that they will surrender their life to God to be use in His work here in Cambodia.
