For many years we've been praying for God's leading in my family to directs us in his will. Me and my wife are serving the Lord as full time worker at Harvesters Baptist Church Biñan and Orphanage for more than a decade. We saw the heart compassion that compels us to faithfully fulfill every ministry that has been entrusted to us.

Last January Pastor Jing Jr ordained us to take over church that he has been pastoring, due to his moving to Canada. We are on the prosses of transition and it's been so challenging to us. I started to teach Personal Evangelism and Music lesson in the church and it was so exciting. We are busy in putting different Bible study and children ministry in the church together with all the faithful volunteer members of the church.

Thank you so much for your prayer and financial support, We truly appreciate your sacrifices and labor of love. Continue to pray for us and Harvesters Baptist Church Carmona.
