### MISSION REPORT

To all our brethren in Harvesters Baptist Church Canada:

Greetings in the most precious Name of our Lord and Savior Jesus Christ!

We are so thankful for our partnership in the ministry of the Lord not only in prayer but also for your financial support. Thank you, Pastor Doug Wood, and to brethren.

Please include us in your prayers for our needs for the extension of our multi-purpose hall. We will use it for our Sunday School for our young men and women's group. We are praying for P20,000 pesos to finish the flooring for the 50 bags of cement and 2 dumptrucks of gravel and sand. I trust the Lord for His provision.

The Lord has been faithful to us in this pandemic. He has provided all our necessities. To God be the glory!
